# OUR CLIENTELE

Our growing family of clients inspire us to innovate and deliver excellence every day.

# ABOUT US

**HNCO Organics** began its journey as a dedicated manufacturer of herbal ingredients, rooted in the wisdom of Ayurveda and driven by a commitment to share nature's purest gifts with the world.

At the heart of HNCO Organics lies a simple belief: **Nature knows best!**

We craft every product with care, blending time-honoured Ayurvedic principles with modern science to create formulations that are safe, effective, and in harmony with nature's rhythms. Guided by purity, transparency, and sustainability, we nurture not just the skin and body, but the planet that sustains us.

## Our Facility & Manufacturing Capacity

- **GMP-certified facility** with modern production lines
- Dedicated zones for **tablets, capsules, syrups, juices, powders and wellness products.**
- In-house **R&D lab** for product development and testing.
- **Scalable capacity** from small batch trials to bulk production.
- Strict **quality control** with **batch traceability** and documentation.

# HOW WE ADD VALUE ACROSS YOUR PRODUCT JOURNEY

Everything your brand needs- from ideation to shelf!

“We don’t just manufacture products. We build brands.  
We solve problems.  
We grow with our partners.”  
-Team HNCO Organics”

# HERBAL POWDERS

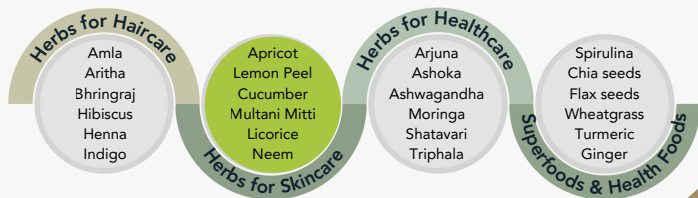

**Traditional formulations. Versatile applications.**

Our powder and churna range preserves the authentic essence of Ayurveda. Our collection features a wide spectrum of Ayurvedic herbs such as **Aloe Vera, Amla, Aritha, Arjuna, Henna, Ashwagandha, Bhoomi Amla, Licorice, Brahmi, Moringa** and many more.

We specialise in a wide range of herbs which are certified organic under **USDA (NOP), India Organic (NPOP)** and **EU Organic** Standards. All these herbs are available in **WHOLE, POWDER** and **TBC (Tea Bag Cut)** form.

These herbs serve as versatile ingredients for a wide range of Ayurvedic and natural formulations including **chyawanprash**, and **health supplements** to **superfoods**, **tinctures**, **extracts**, **tablets**, **herbal teas**, **pet foods**, and more.

# TABLETS, CAPSULES

**Precision in every dose. Tradition in every tablet.**

Our tablet & capsule formulations deliver authentic Ayurvedic remedies in convenient, precisely dosed formats. From immunity boosters to digestive support and wellness supplements, we blend traditional knowledge with modern manufacturing excellence.

These supplements are made under **BRC** and **GMP** Certified Facility using best in class ingredients. All our supplements are **100% Vegan** and made with utmost care at each point of manufacturing.

# ENERGY & WELLNESS

Classical recipes. Modern excellence. Timeless benefits.

Our immunity and wellness formulations deliver nature's most powerful health boosters in their purest forms. **Shilajit**, the ancient Himalayan resin revered for centuries, provides concentrated **minerals** and **fulvic acid** to enhance energy, vitality, stamina, and

cellular regeneration. **Avaleha (Chyawanprash)**, the time-tested immunity powerhouse, combines over **40+ potent herbs** led by Amla to strengthen immune function, support respiratory health, improve digestion, and promote youthful vitality. Crafted with authentic traditional recipes and validated through rigorous modern testing, these formulations offer comprehensive wellness support for those seeking natural, effective solutions for immunity, energy, and longevity.
